Barium Messenger

VOL. 37 BARIUM SPRINGS, N. C., JULY-AUGUST 1960 No. 7-8

Caseworker Added To Staff

During the summer, Mr. William A. Lofquist came to Barium Springs as an additional caseworker for the Home. Mr. Lofquist will be doing the major part of his work in the eastern half of the Synod; Miss Rebekah Carpenter, who has been with the Home for years, taking the western half.

Mr. Lofquist is a native of Asheville, North Carolina and a graduate of the Union Theological Seminary. After graduation there, he took two years work in the school's social work at Chapel Hill before coming to Barium Springs. He and his wife and little daughter, Ellen will add much to the work of the Home and the life of the community.

Football Practice Gets Underway

Monday morning, August 15, heard the call of the coaches for the football squad to begin the fall practice. The varsity athletics have been consolidated with the high school program and the boys answered the call from Troutman High School.

Mr. R. G. Calhoun, formerly principal of the school at Barium Springs, is now associated with the Troutman High School and in charge of football. He and the other coaches have the difficult task of whipping their squad into shape for the heavy season that is already scheduled.

"An interesting letter from a former student shows that the dreams of the Home were realized as this girl has established her own happy home and enjoys returning to the big Home at Barium Springs."

Dear Miss Carpenter,

I was delighted to receive your letter telling me about "Barium Homecoming." My husband and two daughters are looking forward to that date. I do hope that we can make it. They enjoy it as much as I do, which makes it so nice.

Since I have the opportunity to learn so much news from the Barium Messenger, I thought maybe you'd like to know something about my family. And before I forget to tell you—the Messenger is my favorite and I do enjoy it so very much. Milton nor Olive get it, but at the close of the letter I'll give you their addresses so they can enjoy it too if you'd be so kind to put their names on the mailing list.

My family is growing up which is making me realize how old I am getting to be. Marie is 21½ years old—this next year is her last year at Lenoir-Rhyne College and then she plans to teach. She works part-time—when not at school—at J. C. Penny's. Her work is anywhere they need her from office to stock-room. Barbara is 15 years old and will enter the 10th grade this year. She plans on a teaching career too. Barbara looks like the older as she is 5 ft. 6 in. while Marie is 5 ft. 3 in.

Oh yes, after Barbara started the second grade I went back to work as credit manager of Ward's—then when the store closed I went to work as bookkeeper at Field Insurance Agency. I am still there and enjoy my work fine, Monday through Friday, so you see I do have time with my family even though I am working.

Olive is still in Washington, D. C.— no family—but she tries to spend her time with mine and Milton's.

Milton has a son, 8 years old, and twin girls, 5 years old. No, they are not alike at all. One looks like their mother and one looks like Milton. They spent a few days with us in May and the girls were together all the time—playing, singing, etc. Milton is the regional manager for the Nationwide Insurance Company in Cameron Village, Raleigh.

I trust I haven't tired you with all of this.

Please remember me to all. As I look back and think over the opportunities, the training, the fellowship and love I received at Barium—no amount of money could ever purchase them. I am indeed truly grateful for my years there and realize more and more how fortunate we three were to have had the opportunity to go to Barium Springs. So, from my heart, I thank you, Miss Carpenter, and others who made it possible. Hoping to see you soon.

Sincerely,
Marguerite

P. S. When you're in Hickory, come to see me!

HOMECOMING HELD ON CAMPUS AUGUST 14

Annually, the second Sunday in August is Homecoming at Barium Springs. This day, chosen by the alumni and the Home, marks one of the highlights of the summer's happenings. From far and near the men and women who were once boys and girls on the campus return for the renewing of acquaintances, the visiting of the places where they grew up and the jobs where they helped keep Barium Springs going, such as the farm, dairy, infirmary, kitchen, etc.

Registration took place in the Fellowship Hall where Miss Rebekah Carpenter received and registered all those who came by—the sons and daughters, the grandsons and granddaughters, and even great-grandsons and granddaughters of the Home. The morning Bible Class was taught by Mr. A. M. Calhoun in the sanctuary and at eleven o'clock, all convened in Little Joe's Presbyterian Church for the worship of God.

Tables had been prepared, and, at twelve-thirty, lunch was spread under the big oaks. All the returning families and friends brought picnic baskets and the Home prepared barbecue, ice tea and dessert. Putting these together, the whole Barium family had a wonderful time around the picnic table.

In the afternoon, the alumni meeting was held in the elementary school building with the president, Lafayette Donaldson, presiding. At the conclusion of the meeting, open house was held on campus and all were invited to visit the old cottages and the new and to make themselves at home again in the place where they had grown up, or to show their children the places where they once lived.

Elementary School Will Go To Troutman

The opening of school on August 24, will bring a new procedure for the elementary school at Barium Springs. Grades five through eight will join the high school in the county consolidated school at Troutman, one and one-half miles south of Barium Springs. The county school buses will come to the campus and pick up all the children, transporting them to Troutman and returning them in the afternoon. The primary school, grades one through four, will continue on the campus.

Thus, the third stage in the school life of Barium Springs is being reached. Originally, the boys and girls went to school a half a day and worked a half a day. The school was operated entirely by the Home. The second phase was bringing the school in line with the county system and having a full day of school for the children on the campus. Now the third stage is the changing over to the consolidated county school at Troutman where the boys and girls will receive an enlarged curriculum and community relationships.

COTTAGE NEWS

Howard Cottage

Hello Everybody!

We are as busy as the squirrels on our campus. They are laying up nuts and we are stringing beans. We are eating a large share, too, together with all the other delicious vegetables and fruits. The huge baskets of peaches which they bring to our cottages are especially delicious. We are as busy as bees with swimming, skating, tennis, folk games, hiking and crafts. We like making bracelets, earrings, lanyards and molding. We would like to keep our crafts up all year. We think we are going to like Bible School in the evenings this year. It is our first year to go through the twelfth grade with Bible School.

You should have seen our lady staff members tie a soft ball game, 7-7, with our high school girls. Vacation was lots of fun to all of us, but our campus doings are fun, too. Before we left, Jean Ritter recited the Child's Catechism; Marie Ross, Carolyn Ladd and Paulette Grier recited the Shorter Catechism. Most of us will get to sing in the

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

Visitors during the past month have come from Fuquay Springs, Varina, Lowell, Wagrum, Troutman, Durham, Decatur, Georgia, and Jacksonville, Florida. We are always glad to have friends join us for Sunday morning worship under the steeple. We have enjoyed guest ministers too: Reverend Eugene D. Witherspoon, of Statesville, and Reverend Marshall S. Woodson, of Banner Elk.

June 26 was a great day for us in that we received thirteen boys and girls on their profession of faith in Jesus Christ. Reception as full communing members came after eight weeks preparation in a special class. George Edwards, Belle Calhoun, Carolyn Foy, Emily Sue McClure, Alice Marie Murdoch, Barbara Kay Webb had been baptized in infancy; Ricky Davis, T. L. McDonald, Mike Roderick, Troy Homesley, Mary Louise Blalock, Mildred Waters, and Carolyn Ladd were baptized upon their profession of faith. The entire class had their first communion with the congregation. Other new members received during June were Mr. and Mrs. William A. Lofquist, who came to us by transfer of letter.

Awards for reciting the catechism from memory went to Randy Medlin, Mike Lockamy, and Jean Ritter. Three memorized the Westminster Shorter Catechism: Paulette Grier, Carolyn Ladd and Marie Ross.

The congregation mourns the passing of one of our last Charter Members, Mrs. B. B. (Una Hobbs) Boyd who was laid to rest in the family plot in Little Joe's Cemetery, on July 4. Mrs. Boyd remembered the day that she saw Little Joe Gilleland on his crutch, crossing the railroad track and entering the Presbyterian Orphan's Home for the first time.

The Vacation Bible School got under way on the first of August under the direction of Mrs. Clinton E. Clontz. The school was held in the evening at 7:30 and included classes for students from the Third to the Twelfth Grades. As a part of the Prayer Service for the second Wednesday evening, the boys of Mrs. Case's class presented the different symbols of the Christian Faith which they had made during their course of study.

The Senior Highs have entertained the Senior High Fellowship from the Thomasboro Church of Charlotte, and look forward to a get-together with the Davidson College Fellowship. On August 6, the SHF enjoyed a hayride to the Blueridge Parkway where they had a picnic supper at Doughton Park.

The following description was written of a friend by Thomas Drummond, United States District Court Judge, who watched his friend practice law for ten years: ". . . Simple in his habits, without pretensions of any kind, and distrustful of himself, he was willing to yield precedence and place to others, when he ought to have claimed them for himself." The qualities described are the qualities of greatness. The friend described became President of the United States, his name was Abraham Lincoln. I am reminded of a verse in the New Testament that describes the behavior of real Christians: ". . . in honor, preferring one another."

Sacred Choir Festival in August.

We, the Howard girls, brought the biggest surprise to our housemother. Our dining room hostess baked a cake for us, while another housemother helped get her away from home long enough for us to fix things up. When she returned home, we all sang "Happy Birthday" and had a real party. Since she is a coffee drinker, we gave her two briar rose cups and saucers. She was too surprised and too happy to have much to say, but we are sure she liked it all.

We are anxious to see all of the alumni at Homecoming. We want to learn those of you who were here before we came, as well as greet those of you who have gone away since we came.

School starts August 24. Some of us want it to start and some of us don't want it to start, but it is going to start anyway.

Love to you all and we'll be looking for you.

Hello Friends,

We are back from vacation and everyone is back to his regular schedule. From what people have told us everyone had a fine vacation. During vacation several boys stayed at Barium to help with the work that had to be done. But, we know they had lots of fun, too.

We have had plenty of recreation so far this summer. We have had softball games, horseshoe tournaments, skating, basketball, ping pong, dancing and many other activities. We have a new recreation supervisor who has helped us a great deal. Her name is Miss Shull.

On August 24, grades five through twelve start to school at Troutman. This will be a new experience for some of us since we have been going to school on the campus.

Five boys in our cottage have birthdays in August. They are Henry Bridgers, Chuck Utsman, Larry Edwards, Frankie Davis and Charles Ritter. We hope they all have a happy birthday. On August 1, grades three through twelve will start to Bible School. We will go for two weeks.

Everyone is now looking forward to Homecoming, which is August 14. We will be glad to see some of the old Barium students. We hope they can all come. We have lots of fun and good things to eat. Most of the campus groups will have something to do with Homecoming. Mr. White's group will put some tea containers up for tea and some of the other groups will put up tables and clean up the ground.

Well, this is the boys of Quad Three saying, "So, long for now."

Lottie Walker Boys

Hello,

All of our boys had a real good time on vacation. Some of our boys went to the beach, show, swimming and various other places.

We had one boy to leave us this year. Mike Lockamy stayed home on vacation.

Percy Utsman's clothing people, the Women of Flowe-Harris Church in Concord, came to Barium and gave him a birthday party, Saturday, July 23. His birthday was July 17.

Wednesday night before vacation, we enjoyed having Mrs. Johnson and her girls visit us. We appreciate and want to thank Mr. Carter for being with us, also. We hope they will all come again.

Lottie Walker Boys

North Cottage

Hi,

Vacation time is past and we are once again ready to settle down to another year of study, work and many good times.

Linda Truelove will be joining our family very soon. She is in the eighth grade and takes music. She will have two younger brothers here, also. Dianne Guin and Rosa Lee Guin, fourth and fifth graders, will be joining us a little later, and we certainly will be happy to have them. Let's all remember how we felt when we first came to Barium and try to make them feel welcome.

August 14 is Homecoming and we are certainly looking forward to seeing the alumni and their families. The familiar faces will surely bring back many fond memories of "many moons ago."

School chatter is beginning to be one of the main topics of the campus. Some of it, as can be expected, is not quite so enthusiastic as others.

The Vacation Bible School for grades three through twelve will begin August 1. We are certain that it will be profitable in many ways.

The Littlest Ones

Hello Everyone!

We all had wonderful vacations and after doing so many things while we were away, it seems strange to come back and take up where we left off. Even though, we have a small cottage family, we covered a lot of territory in the state and, also, out of the state. For instance, Cherryville, Raeford, Durham, New Bern, High Point, Charlotte, Norfolk and Staunton, Va.

It's not long until school starts again. We will have four going this year. Barbara and Fred will be in the first grade; Mark and Bonnie will be in the second grade.

Hi Friends!

Well, we are all back from vacation. Everyone had a wonderful time. Miss Pat went to Canada. She sent us all a postcard from there.

High school starts August 24. We can't wait, but it won't be long for some of us until we finish.

Everyone is enjoying riding the bicycle. It is very pretty. That is all for now.

Hey There!

Well, we're back from vacation. We all had a wonderful time, but we're glad to be back.

We have been really busy since vacation. We've been playing a variety of games on the playground under the supervision of Miss Shull. Also, we've been swimming and working in crafts.

It's almost time for school to start! I think the majority of us are ready for it, even though we hate to end the summer. Everyone in Rumple will be going to Troutman except three.

Mary Ann McBennett is our only birthday girl this time. Her birthday was July 19. This was her ninth birthday. One day while talking, she told us that she would be a baby until she was ten, and then she would be a big girl. She is really anticipating her tenth birthday.

Well, we'll see you next month.
